

THE CORPORATION OF THE DISTRICT OF BURNABY

TO: MEMBERS OF MUNICIPAL COUNCIL
FROM: MAYOR WILLIAM J. COPELAND,
CHAIRMAN,
ELECTRONIC SYSTEMS REVIEW COMMITTEE
RE: CONSULTANT'S REPORT

RECOMMENDATION:

1. THAT a consultant be retained to determine the best and most cost effective method of improving or replacing the existing Human Resource Management System.

R E P O R T

At the regular Council Meeting held on 1989 January 30 Council received and tabled a report from Mr. Brian Mullen, I.S.P. Information Systems Planning Corp. entitled "Audit of the Corporation of the District of Burnaby Human Resource Management Systems".

The tabling was done to allow Council and staff to fully evaluate the report. Upon completing it's evaluation of the report it has become apparent to the Committee that the problems referred to in the report warrant further attention. Therefore, the Committee is recommending that a consultant be retained to perform a more extensive review in order to determine the best and most cost effective method of improving or replacing the existing Human Resource Management System.
