RE: 1989 FAMILY COURT COMMITTEE CONFERENCE

RECOMMENDATION:

1. THAT Council authorize the Family Court and Youth Justice Committee to host the 1989 Annual Family Court Committee Conference.

R E P O R T

SUMMARY

The Family Court and Youth Justice Committee are seeking Council's authority to host the 1989 Family Court Committee Conference, based on the tremendous support received and benefits derived from the hosting of the 1987 Annual Conference.

BACKGROUND

Burnaby Municipal Council and the Family Court and Youth Justice Committee hosted the 1987 Annual Family Court Committee Conference February 27 to March 01 inclusive at the Sheraton Villa Inn.

Upon request of the Committee, the Council of the day granted a sum of One Thousand Dollars (\$1,000.00) to cover the expenses associated with initiating the Conference. A further grant of One Thousand Dollars (\$1,000.00) was also received from the Ministry of Attorney General which is a traditional contribution to the host Committee.

CONCLUSION

Your Committee has been requested, by the Ministry of Attorney General, to post a bulletin in the Spring edition of the Family Court Committee Newsletter announcing the Committee's intention to host the Conference. This Newsletter circulates to every Family Court Committee in the Province of British Columbia.

Council's approval is therefore requested at this time in order to meet the submission deadline requirement for the Family Court Committee Newsletter. It is the Committee's intention to expedite an action plan which would hopefully see the 1989 Conference scheduled for mid-June. Accordingly, this will be the subject of a further, more detailed report to Council at a later date. Requests for financial support will be addressed at that time.

Respectfully submitted,

Alderman L.A. Rankin
Chairman
