

TO: MUNICIPAL MANAGER 1990 AUGUST 31

FROM: DIRECTOR ENGINEERING

SUBJECT: WORK ORDER #60-40-990,
1990 LOCAL IMPROVEMENT PROGRAM - ROADWORKS DESIGNS

PURPOSE: To obtain approval of work order #60-40-990.

RECOMMENDATION:

1. THAT Council approve work order #60-40-990.

REPORT

60-40-990 1990 Local Improvement Program - Roadworks Designs

Charge: 1990-1994 Capital Budget \$90,000
Code 40, Local Improvements

Additional Information: Council, at its meeting of 1990 08 27, authorized the Director Engineering to obtain proposals from engineering consultants for the purpose of completing all design work on the 1990 Local Improvement Streets Program. This work order covers the cost required to interim finance the design fees. Following approval of individual construction bylaws, the design fees will be distributed to the appropriate construction bylaws. Funds for this work order are specifically provided in the 1990-1994 Capital Budget.
