TO: MUNICIPAL MANAGER 1990 June 06

FROM: DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 9016 - 1988 LOCAL IMPROVEMENT PROGRAM PHASE II
AND 16TH AVENUE - 2ND STREET TO 4TH STREET

PURPOSE: To obtain approval to award a contract for the construction of
roads and ancillary services at various locations in Burnaby

RECOMMENDATION:

1. THAT a contract be awarded to the lowest bidder, Winvan Paving Ltd., for the construction of roads and ancillary services at various locations for a total cost of \$1,047,437.00 with final payment based on actual quantities and unit prices tendered.

REPORT

Five tenders for this project were received by the closing time of 3:00 p.m. Friday, 1990 June 01 and were opened by municipal staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

The work of this contract involves the supply of all labour, materials, plant, tools and equipment required for the construction of roads and ancillary services at various locations in Burnaby.

The Director Engineering's original estimate for this work totalled \$1,045,000.00 of which \$745,000.00 was for the local improvement works and \$300,000.00 was for the 16th Avenue works.

The recommended bidder, Winvan Paving Ltd., has performed for the Corporation numerous works of a similar nature, including two previous local improvement projects and several overlay programs, as well as previous contracts for the supply of asphaltic concrete. Engineering staff have found them to be competent and cooperative and therefore have no hesitation in recommending them for this contract.

The funds for these works are included in the 1990-1994 Capital Budget under Local Improvements and Special Roads. The construction bylaws which authorize the local improvement works are in place. Capital Reserve Fund Expenditure Bylaw No. 9406 for 16th Avenue appears elsewhere on this agenda for final adoption.

The Director Engineering and our consultant, R.F. Binnie and Associates Ltd., concur with the above recommendation.
