TO: MUNICIPAL MANAGER 1990 MARCH 12

FROM: DIRECTOR ENGINEERING

SUBJECT: LETTER FROM STRATACO/BRADSON ON BEHALF OF THE STRATA
COUNCIL, STRATA PLAN N.W. 58, SIMON FRASER VILLAGE

PURPOSE: To inform Council of the steps taken by staff to
address the concerns of the Strata Council and the
action taken to solve their newspaper recycling
problem.

RECOMMENDATION:

1. THAT a copy of this report be sent to Strataco/Bradson.

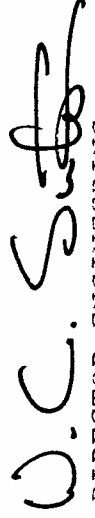

REPORT

Appearing on the Council agenda for the meeting of 1990 March 12 was a letter from Strataco/Bradson on behalf of the Strata Council, Strata Plan N.W. 58, Simon Fraser Village. The letter sought newspaper recycling services similar to that provided to single family residential homes. Further to the receipt of the letter from Strataco/Bradson, staff arranged a meeting at Simon Fraser Village on Monday, 1990 March 12, with Mr. Steve Constable of Strataco/Bradson, Mrs. Sheila Healy, the residents' recycling representative, and Mr. Lee Chamberlain of Fraser Valley Community Recycling (FVCR). FVCR are presently the contractors for the curbside pick-up of newspapers for Burnaby.

The strata council's claim that the existing boxes had become unsightly and that pick up service was inadequate was obviously well-founded and after some discussion with respect to a drive-through route, Mr. Chamberlain of FVCR agreed to supply new steel containers and to provide a weekly pick up service.

Simon Fraser Village is a strata title development and as such receives refuse pick up service on the same basis as single family residents.

Mr. Constable agreed to have the previous contractor remove the existing boxes, and as soon as this is done, FVCR will start collection on a weekly basis.
