FROM: DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 9006 - ASPHALTIC CONCRETE SUPPLY

PURPOSE: To obtain approval to award a contract for the supply of asphaltic concrete.

=====
RECOMMENDATION

1. THAT a contract be awarded to the lowest bidder, Winvan Paving Ltd., for the supply of asphaltic concrete for a total cost of \$244,088.00 with final payment based on actual quantities and unit prices tendered.

REPORT

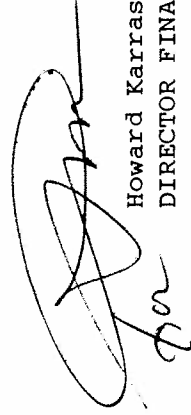

Four tenders for this material were received by the closing time of 3:00 p.m. Friday, 1990 May 11 and were opened by municipal staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

The work of the contract includes the supply of approximately 6,400 tonnes of specified asphaltic concrete to be picked up by municipal forces at the supplier's plant as required, and approximately 900 tonnes to be delivered to the Burnaby Works Yard. The term of this contract shall be from 1990 June 01 to 1991 May 31, both dates inclusive.

The conditions of the contract allow for price fluctuation based on the posted price of energy-related materials contained in the asphaltic concrete. All price adjustments are subject to approval by the Director Engineering.

The funding for this work is provided in various accounts in both the Operating and Capital Budgets.

The Director Engineering concurs with the above recommendation.
