TO: MUNICIPAL MANAGER 1990 January 24
FROM: DIRECTOR FINANCE
SUBJECT: CONTRACT NO. 8816 - WIGGINS STREET WATERMAIN
PURPOSE: To obtain approval to award a contract for the replacement
of watermains along Wiggins Street.

=====

RECOMMENDATION

1. THAT a contract be awarded to the lowest bidder, C.A.P. Ventures Ltd., to replace watermains along Wiggins Street for a total cost of \$176,786.00 with final payment based on actual quantities and unit prices tendered.

REPORT

Ten tenders for this project were received by the closing time of 3 p.m. Wednesday, 1989 December 20, and were opened by municipal staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

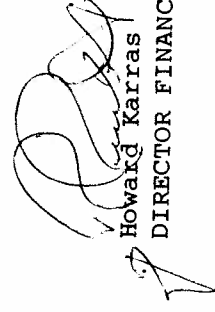

The work of the contract involves the supply and installation of all labour, materials and equipment required for the replacement of watermains and appurtenances along Wiggins Street.

The Director Engineering's estimate for this work is \$200,000.

The recommended bidder, C.A.P. Ventures Ltd. (formerly Van Der Zalm Construction Ltd.), has been in business in the Lower Mainland for the past seven years and within the past two years has successfully completed two projects of a similar nature for the Corporation. Our consultant, Stanley Associates Engineering Ltd., has checked their references and based on their findings, are confident that they have the necessary resources and expertise to successfully complete the work of this contract. Engineering staff concur with this assessment.

The funding for this work is provided for in the 1989 Capital Budget and appearing elsewhere on this agenda is a report recommending approval of a work order which describes the source of funding for this work.

The Director Engineering and our consultant, Stanley Associates Engineering Ltd., concur with the above recommendation.
