SUBJECT: 1991/92 PROVINCIAL TRANSPORTATION PLAN
MUNICIPAL BRIEF TO THE G.V.R.D.

PURPOSE: To outline for the information of Council, the process for municipal input to the Provincial Transportation Plan.

RECOMMENDATION:

1. THAT Council direct staff to prepare a brief to the G.V.R.D. on the 1991/92 Provincial Transportation Plan for the consideration of Council.

R E P O R T

Appearing on the Council agenda for this meeting is correspondence from Mayor G.J. Blair, Chairperson, G.V.R.D. Board of Directors, requesting comments from Council to permit the G.V.R.D. to make a consolidated submission to the Province on a 1991/92 Provincial Transportation Plan. The 1991/92 Provincial Transportation Plan sets provincial transportation priorities for the five-year period from fiscal year 1991/92 - 1996/97 and provides the context for developing the budget of the Ministry of Transportation and Highways for the upcoming fiscal year 1991/92.

In 1989 July, Council submitted a brief to the G.V.R.D. Development Services Committee outlining its proposals for transportation improvements to be included in the 1990 Provincial Transportation Plan. To comply with the G.V.R.D. request, it is proposed that a new brief be prepared for submission to the G.V.R.D. as part of the 1991/92 Provincial Transportation Plan. This brief would include the following.

- (i) A general statement of Council policy on transportation in Burnaby.
- (ii) A definition of Council priorities for provincial highway and transit improvements.
- (iii) An outline of requirements for a consultative regional transportation planning process.

The G.V.R.D. is requesting municipal comments be submitted by the end of 1990 November so that a consolidated submission can be forwarded to the Province by the end of 1991 January. To meet this timing, staff will be submitting a report to the Traffic and Transportation Committee (Transportation Division) at its meeting of 1990 November 14 to be forwarded to the 1990 November 19 regular meeting of Council.
