TO: MUNICIPAL MANAGER

FROM: DIRECTOR ADMINISTRATIVE AND COMMUNITY SERVICES

SUBJECT: CANADIAN ASSOCIATION OF CHIEFS OF POLICE CONVENTION

PURPOSE: To seek approval of Council for the Officer in Charge Burnaby Detachment RCMP to attend the 1990 Convention of the Canadian Association of Chiefs of Police.

=====

RECOMMENDATION:

1. THAT the Officer in Charge of Burnaby Detachment RCMP Police, Superintendent Bruce A. Beaudreau, be authorized to attend the 1990 Canadian Association of Chiefs of Police Convention in St. John's Newfoundland between dates of 1990 August 25-31.

REPORT:

Superintendent B.A. Beaudreau is an active member of the Canadian Association of Chiefs of Police (CACP) and also an active member of the British Columbia Association of Chiefs of Police (BCACP). The CACP 85th Annual Convention is held at different cities each year. This year it is at St. John's, Newfoundland and the next two years at London, Ontario and Victoria, B.C.

This annual gathering of chiefs of police from the RCMP Police, provincial police, municipal and city police is designed to address policing concerns, make recommendations, solicit parliamentary changes, etc., with a view of benefiting communities throughout Canada and in our case the Corporation of the District of Burnaby. Topics to be covered include: Crime Prevention, Drug Abuse, Law Amendments, Strategic Planning, Organized Crime, Police Multicultural Liaison, Victims of Crime and other related items.

A former Officer in Charge of Burnaby Detachment, and at that time the President of BCACP, attended an annual CACP convention in Montreal. I am told his comments about the convention were

all positive and the knowledge gained from his attendance was very valuable from a policing perspective.

The current policy requires Council to approve attendance at conventions if the cost exceeds \$1,500. The cost of attending the upcoming convention in August is estimated to be approximately \$2,400. Funds are provided for in the RCMP 1990 budget to cover the cost of this official attendance.
