RE: AMENDMENT TO THE 1991 FACILITY AND EQUIPMENT FEES BYLAW

RECOMMENDATIONS:

1. THAT the Bonsor Recreation Complex Facility pass fee additions to the 1991 Fees Bylaw be approved as detailed in this report.
2. THAT Council be requested to approve the additional 1991 Facility pass fee additions and authorize the Municipal Solicitor to execute an amended 1991 Facility and Equipment Fees Bylaw.

REPORT

The Commission and Council each year establish a "Burnaby Recreation Facility Fees Bylaw". The bylaw is in effect from January 01 to December 31 of each year.

The bylaw establishes the fees that will be charged for the use of recreation facilities and equipment, e.g the fee for a racquet court, gymnasium, public swim, skate, racquet rental, skate rental, etc.

The development of the Bonsor Recreation Complex Yearly Passes was not completed in time to be included in the 1991 bylaw.

The new rates were developed in order to provide a service that has been requested from the community in the surrounding Metrotown area. They will give groups of people, teams or businesses the opportunity to purchase Yearly Passes for an activity or activities at group rates at Bonsor Recreation Complex.

The passes and group rates were created after a review of similar type passes offered at public and private recreation facilities within the Lower Mainland. The fees reflected show group discount rates which are commonly used for passes of this type.

<u>Size of group</u>	<u>% reduction</u>
5-9	10
10-20	20
20+	25

Yearly pass rates for the different activity options were developed by extending the 3 month unlimited pass rate structure over a year (3 month unlimited X 4). From there reductions were applied dependent upon group size.
