MOVED BY ALDERMAN NIKOLAI:  
SECONDED BY ALDERMAN EVANS:

"THAT the delegations be heard."

CARRIED UNANIMOUSLY

- 1. Mr. Nathan Fox, Metro Centre Hotel, 4561 Kingsway, Burnaby, B.C. appeared before Council to address an application for a beer and wine store at the Metro Centre Hotel.

The speaker examined concerns raised in a staff report including the distance of the proposed beer and wine store to Grange Street, the size of the parking lot and potential access/egress problems, the relationship of the development to potential redevelopment of the site, proximity to future apartment development in the area and proximity of the proposed beer and wine store to the government liquor store at Old Orchard Shopping Centre.

Alderman Corrigan entered the Council Chamber at 7:05 p.m. and took his place at the Council table.

Mr. Fox indicated that he is willing to operate the proposed beer and wine store for a limited period of five years at which time redevelopment of the entire site would commence.

Alderman Rankin entered the Council Chamber at 7:10 p.m. and took his place at the Council table.

Arising from the presentation Alderman Drummond was granted leave by Council to introduce the following motion:

MOVED BY ALDERMAN DRUMMOND:  
SECONDED BY ALDERMAN EVANS:

"THAT staff review the comments of the delegation and prepare a report for consideration by Council."

CARRIED  
 OPPOSED: ALDERMAN RANKIN

- 2. Mr. Gary Kobayashi, 225 - 6th Street, New Westminster, B.C. appeared before Council on behalf of Local 1-217, IWA Canada to address the issue of attempts by certain public interest groups to limit logging in the Greater Vancouver watersheds.

Mr. Kobayashi stated that ceasing to log in these watersheds would exacerbate an already critical unemployment problem in the forest industry. The preservationist lobby of the Canadian Wilderness Association contends that logging practices contribute to the degradation of water supplies.

The speaker contends that water problems, while present, are not attributable to logging practices and related road construction. Mr. Kobayashi outlined those practices which do not compromise preservation of water quality and requested that Council support the continuation of logging in the Greater Vancouver watersheds.

Located at McDonald and  
Hastings Street
- 

A letter dated 1991 March 12 was received from Mrs. Vera Munday expressing concern with regard to drivers driving the wrong way on McDonald Avenue, a one-way street.

In response to Mrs. Munday's concerns regarding vehicles being driven opposite the northbound flow, staff reviewed the signing and determined that it is proper and adequate.

Mrs. Munday has been contacted. She agrees that signing is adequate and feels that the majority of violations are deliberate. She realizes that with the attitude of some drivers this situation will occur, but that regular enforcement and possibly a narrowing of the entrance at Pender Street may deter some drivers.

Staff will contact the R.C.M.P. on this matter, and will review the entrances and exits on McDonald Avenue relative to width.
