R E P O R T

The Centennial Committee wish to contract with Opus Productions to produce a commemorative book in connection with our Centennial celebration.

The book will create a lasting legacy for Burnaby's Centennial Year by producing an accurate editorial and pictorial documentation of Burnaby's past 100 years. The book will be a joint effort by Burnaby's historians and will be of interest to all the residents of Burnaby.

Copies of a detailed report on the subject prepared by the Centennial Events Director has been provided under separate cover.
