

TO: MUNICIPAL MANAGER 1991 January 23

FROM: ACTING DIRECTOR FINANCE

SUBJECT: TENDER FOR TWELVE COMPACT AUTOMOBILES

PURPOSE: To obtain approval to purchase twelve compact automobiles.

=====

RECOMMENDATION

1. THAT a purchase order be issued to the lowest bidder, White Rock Chrysler Ltd., for the supply and delivery of 12 only 1991 Plymouth Sundance automobiles for a total cost of \$125,091.

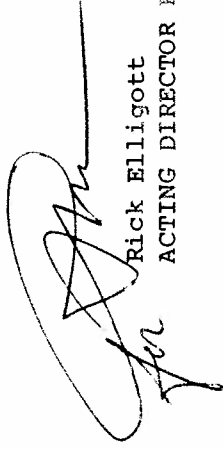

REPORT

Ten tenders for the purchase of twelve compact automobiles were received by the closing time of 3 p.m. Thursday, 1991 January 03, and were opened by municipal staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

Staff have inspected and test driven the recommended model and found it to be well suited to the Corporation's needs. In addition, staff have checked with other government agencies and found that the recommended model, in use under conditions similar to those of the Corporation, performs well and enjoys a very favourable record for repairs and reliability. Warranty service delivery was cited as being exceptional for the Plymouth. Based on their experience, the City of Richmond, the Greater Vancouver Regional District and the Province of British Columbia all have no hesitation in recommending the Plymouth Sundance.

The vehicles to be purchased are to replace ten existing vehicles in the Municipal Hall automobile fleet and to provide two additional vehicles required for the Building and Finance (Licence) Departments. The ten vehicles being replaced will be sold upon delivery of the replacement vehicles.

Funds for the purchase of these vehicles are provided in the 1990-1994 capital budget.
