

ITEM 3
MANAGER'S REPORT NO. 37
COUNCIL MEETING 91/06/03

TO: MUNICIPAL MANAGER

1991 May 29

FROM: ACTING DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 9112 - JOFFRE AVENUE SEWAGE PUMPING STATION

PURPOSE: To obtain approval to award a contract for the construction of the Joffre Avenue Sewage Pumping Station.

=====

RECOMMENDATION

1. THAT a contract be awarded to the lowest bidder, Porter Construction Ltd., for the construction of the Joffre Avenue Sewage Pumping Station for a total cost of \$168,360.00, with final payment based on actual quantities and unit prices tendered.

REPORT

Four tenders for the construction of the Joffre Avenue Sewage Pumping Station were received by the closing time of 3:00 p.m. Wednesday, 1991 May 15, and were opened by municipal staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

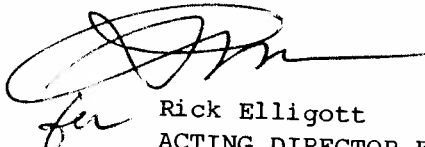

The work of the contract involves the supply of all labour, materials, tools and equipment required to construct the Joffre Avenue Sewage Pumping Station, together with approximately 84 metres of sanitary sewer and force mains.

The Director Engineering's estimate for this work is \$170,000.

The recommended bidder, Porter Construction Ltd., has been in business in the Lower Mainland for approximately five years. Based on reference checks and an interview with the recommended bidder, Engineering staff are of the opinion that Porter Construction Ltd. can satisfactorily perform the work of this contract.

The funds for this work are provided in the 1991-1995 Capital Budget under Sanitary Extensions. Appearing elsewhere on this agenda is a report recommending approval of a work order which authorizes the expenditure of funds for this project.

The Director Engineering concurs with the above recommendation.
