REPORT

60-14-151 Wheelchair Ramps - Various Locations

Charge: 1992-1996 Capital Budget
Code 14, Traffic Management

\$30,000

Additional Information: The Municipality's policy on the installation of wheelchair ramps is to install them in all new curb and sidewalk construction or reconstruction. In addition, a special program is in place which enables us to respond to the needs of the handicapped by constructing ramps in existing curb and sidewalk locations.

There has been a sharp increase in enquiries and requests for wheelchair ramps. This work order provides funding that will permit us to continue installation of ramps whenever feasible. Funds are included in the 1992 Provisional Operating Budget as a Contribution to Capital and will be included in the 1992-1996 Capital Budget. However, due to the ongoing nature of this program, authorization for these expenditures is requested prior to approval of the 1992-1996 Capital Budget.
