RECOMMENDATION

1. THAT the Director Finance be authorized to attend the 1992 Government Finance Officers Association Conference.

REPORT

The 1992 Government Finance Officers Association International Conference is being held in Orlando, Florida, 1992 June 21-24.

Included on the program are a variety of sessions addressing issues on:

- . strategies and techniques to address budget shortfalls
- . options for generating revenue
- . defining budgetary practice
- . capital planning and budgeting
- . automating the budget process
- . developing financial policies

Of particular interest to the Director Finance are the sessions on budgeting and revenue generation.

The Director Finance is also involved as the co-chairman of the events committee for the 1993 Conference to be held in Vancouver. Participation in the Orlando Conference would help build the knowledge to aid in the management of the 1993 Vancouver Conference and provide the opportunity to support the other B.C. municipalities promoting the 1993 conference.

The cost of the Conference is estimated to be \$1,850, funds for which are provided in the 1992 Provisional Budget.

It is recommended that the Director Finance be authorized to attend the 1992 Government Finance Officers Association Conference.
