

TO: ACTING MUNICIPAL MANAGER 1992 June 09

FROM: DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 9208-R - GRAVEL SUPPLY

PURPOSE: To obtain approval to award a contract for the supply of gravel and sand aggregates.

=====

RECOMMENDATION:

1. THAT a contract be awarded to the lowest bidder, Mainland Sand & Gravel Ltd., for the supply of gravel and sand aggregates for a total cost of \$459,372.00 with final payment based on actual quantities and unit prices tendered.

REPORT

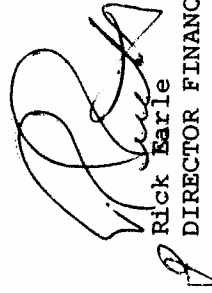

Eight tenders for the supply and delivery of gravel and sand aggregates were received from a total of seven bidders. Tenders were opened by municipal staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

The work of the contract involves the supply only as well as the supply and delivery of approximately 49,000 tonnes of specified gravel and sand aggregates, delivered as required to various locations in Burnaby from 1992 July 1 until 1993 June 30, both dates inclusive.

The recommended bidder, Mainland Sand & Gravel Ltd., has been in the gravel supply business in the lower mainland for the past 27 years and has supplied the Corporation's gravel and sand requirements for the past two years, under Contract Nos. 9008 and 9108. Engineering staff report that Mainland's performance and product have both been excellent and therefore have no hesitation in recommending them for this contract.

The funding for these materials is provided in various accounts in both the Operating and Capital budgets.

The Director Engineering concurs with the above recommendation.
