REPORT

60-21-100 Watermain installation - Lane north of Lougheed Highway from 6391 Lougheed to Broadway

CHARGE: 1992 Capital Budget \$60,000
Mains, pumping stations, etc.

Additional Information: The existing watermain in the lane immediately north of Lougheed Highway from approximately 6391 Lougheed Highway to Broadway was installed in the early 1950's. A number of breakages have occurred over the past several years and the main should be replaced to avoid future flooding damage to private properties. This work order provides funding for its replacement at a total estimated costs of \$60,000. Funds are available in the 1992 Capital Budget under Mains and pumping stations, Code 21.
