MANAGER'S REPORT NO. 16
COUNCIL MEETING 92/06/29 46

1992 June 24

TO: ACTING MUNICIPAL MANAGER
FROM: DIRECTOR RECREATION & CULTURAL SERVICES
RE: USE OF EQUIPMENT - MARMAX HOLDINGS
PURPOSE: To request Council authorize continued use of equipment from Marmax Holdings Ltd. for work at the Riverway Golf Course site.

RECOMMENDATION:

1. THAT Council authorize the continued use of equipment from Marmax Holdings Ltd. to perform work at the Riverway Golf Course site for a total estimated cost of \$180,000 during the 1992 construction period.

REPORT

Marmax Holdings Ltd. are the contractor presently filling the Riverway Golf Course site. For the past four or five years it is their equipment that we've utilized on an hourly basis to dig creeks, lakes and place large pre loads for facility construction.

For this type of work it is our practice to use hired equipment from qualified and competitive contractors. By utilizing Marmax (already on site), we realize substantial savings because mobilization costs are not paid each time we use the equipment. Also Marmax rates are competitive with those in the industry.

The Purchasing Agent concurs with the recommendation to continue hiring Marmax for this project.
