

TO: CITY MANAGER  
FROM: DIRECTOR FINANCE

ITEM	7
MANAGER'S REPORT NO.	44
COUNCIL MEETING	93/07/12

SUBJECT: CONTRACT NO. 9303 - TRAFFIC SIGNALIZATION, VARIOUS LOCATIONS

PURPOSE: To obtain approval to award a contract for the supply and installation of three traffic signals at various locations.

=====

RECOMMENDATION:

1. THAT a contract be awarded to the lowest bidder, Trans-Western Electric Ltd., for the supply and installation of traffic signals on Rumble Street at MacPherson Avenue, Burris Street at Buckingham Avenue and Canada Way at Hardwick Street, for a total cost of \$141,548.16.

REPORT

Four tenders for this work were received by the closing time of 3:00 p.m. Tuesday, 1993 July 6 and were opened by municipal staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

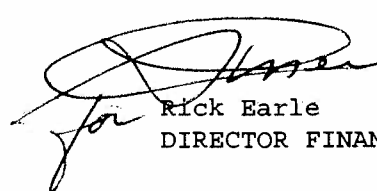

The work of the contract involves the supply and installation of all labour, materials, plant, tools and equipment (except for the three signal controllers which will be supplied by the City) related to the installation of traffic signals at the locations noted above.

The Director Engineering's estimate for this work is \$165,000.

The recommended bidder, Trans-Western Electric Ltd., has been in business in the lower mainland for approximately 12 years. Trans-Western has installed traffic signals for Burnaby under 3 previous contracts, to the complete satisfaction of the Director Engineering. Our consultant, R.P. Shaflik Engineering Ltd., has inspected their work and found it to be excellent.

The funds for this work are provided in the 1993 Capital Budget under Traffic Management. The work orders which authorize the expenditure of funds are in place.

The Director Engineering and our consultant, R.P. Shaflik Engineering Ltd., concur with the above recommendation.
