REPORT

Council at its meeting of 1993 November 29 received correspondence from Ms. Jennifer Wolfe concerning her mother's difficulties in crossing the Burlington Northern Railway tracks at Piper Avenue. City staff made arrangements with local maintenance personnel from the Burlington Northern Railway to review Mrs. Wolfe's difficulties with her. Following this review the railway will be making modifications to the wooden crossing to facilitate access by Mrs. Wolfe. This work was scheduled for completion by the railway in the week of 1993 December 6 - December 10. Mrs. Dorothy-Ann Wolfe has been advised and is satisfied with the response of City and railway staff to address her needs.
