MANAGER'S REPORT NO.		68
COUNCIL MEETING	93/11/15	

TO: CITY MANAGER

DATE: NOVEMBER 12, 1993

FROM: CITY SOLICITOR

RE: GREATER VANCOUVER WATER DISTRICT  
WATERMAIN IN CENTRAL PARK

PURPOSE: To seek authority to execute Statutory Right of Way

---

RECOMMENDATION:

1. That the City Clerk be authorized to execute a Statutory Right of Way in favour of Greater Vancouver Water District for the watermain in Central Park.

REPORT

After the Province transferred to Burnaby title to Central Park it was discovered that a G.V.W.D. waterline that has been in use since 1931 under a licence from the Crown requires a right of way agreement. The line feeds a reservoir at the Patterson Avenue side of Central Park.

The G.V.W.D. has paid for preparation of the Plan and the Agreement.
