

ITEM	11
MANAGER'S REPORT NO.	42
COUNCIL MEETING	94/07/11

TO: CITY MANAGER 1994 July 06

FROM: DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 9410 - LOUGHEED HIGHWAY SEWER EXTENSION

PURPOSE: To obtain approval to award a contract for the Lougheed Highway Sewer Extension.

RECOMMENDATION:

1. THAT a contract be awarded to the lowest bidder, E.B. Friesen Associates Ltd., for the Lougheed Highway Sewer Extension for a total cost of \$105,038.64 with final payment based on actual quantities and unit prices tendered.

REPORT

Five tenders for this contract were received by the closing time of 3:00 p.m., Tuesday, 1994 June 07, and were opened by staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

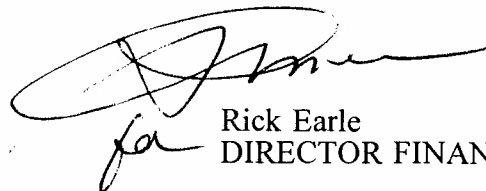

The work of this contract involves the supply and installation of materials including all labour, equipment, plant and tools related to the construction of approximately 396 metres of 250mm diameter and 66 metres of 200mm diameter PVC sanitary sewers and related work.

The Director Engineering's estimate for this work is \$180,000.00.

The recommended bidder, E.B. Friesen Associates Ltd., has been in business in the Lower Mainland for approximately 9 years. During the past few years, they have satisfactorily completed a number of projects for the City including 3 contracts in 1993 for sanitary sewer and watermain work. Based on their past performance, the Director Engineering is satisfied that they have the necessary experience and resources to complete the work of this contract.

This project is included in the 1994 Capital Budget under Sanitary Sewers. Appearing elsewhere on this agenda is a report recommending approval of a work order which authorizes the expenditure of funds for this work.

The Director Engineering and our consultant, Dayton and Knight Ltd., concur with the above recommendation.
