SUBJECT: CONTRACT NO. 9408 - GRAVEL SUPPLY

PURPOSE: To obtain approval to award a contract for the supply of gravel and sand aggregates.

---

RECOMMENDATION:

1. THAT a contract be awarded to the lowest bidder, Mainland Sand and Gravel Ltd., for the supply of gravel and sand aggregates for a total cost of \$468,329.40 with final payment based on actual quantities and unit prices tendered.

REPORT

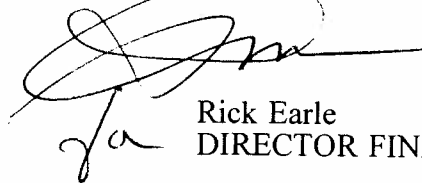

Five tenders for this contract were received by the closing time of 3:00 p.m., Monday, 1994 June 06, and were opened by staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

The work of this contract involves the supply only as well as the supply and delivery of approximately 49,000 Tonnes of specified gravel and sand aggregates, delivered as required to various locations in Burnaby from 1994 July 01 until 1995 June 30, both dates inclusive.

The recommended bidder, Mainland Sand & Gravel Ltd., has been in the gravel supply business in the Lower Mainland for the past 29 years and most recently supplied the City's gravel requirements under Contracts Nos. 9008, 9108 and 9208. Engineering staff report that Mainland's performance and product have both been excellent and therefore have no hesitation in recommending them for this contract.

The funding for this contract is provided for in various accounts in both the 1994 Operating and Capital Budgets.

The Director Engineering concurs with the above recommendation.
