MANAGER'S REPORT #	21
COUNCIL MEETING	95/05/01

TO: CITY MANAGER

1995 April 26

FROM: DIRECTOR FINANCE

SUBJECT: TENDER FOR SWIMMING POOL BULKHEAD -
CENTRAL PARK POOL

PURPOSE: To obtain approval to award a purchase order for the supply and installation of a swimming pool bulkhead at Central Park Pool.

RECOMMENDATION:

1. THAT a Purchase Order be awarded to the lowest bidder, Precision Fibre Structures Inc., for the supply and installation of a swimming pool bulkhead for a total cost of \$131,038.62.

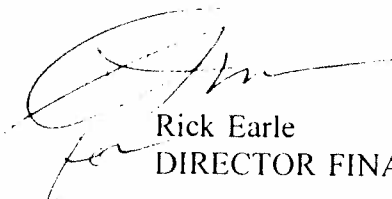

REPORT

Three tenders for the supply and installation of a swimming pool bulkhead were received by closing time of 3:00 pm Wednesday, 1995 April 19. A tabulation of the tenders received is attached (Attachment A).

The recommended bidder, Precision Fibre Structures Inc., has done work of a similar nature in the lower mainland and is currently completing installation of a bulkhead at Bonsor Recreation Complex. They have performed well to date and the Director Engineering is satisfied that they have the experience and knowledge to complete this work.

The Central Park Pool Bulkhead project is included in the 1995 Park Development component of the 1995-1999 Provisional Capital Program, however total costs of \$131,038 exceed the 1995 budget allocation of \$102,000. Other Parks project expenditures will be reduced by \$22,100 to ensure the Park Capital Budget is not exceeded.

The Parks and Recreation Commission has given verbal approval to proceed with this project and concur with the above recommendation.

Rick Earle
