REPORT

The Traffic and Transportation Committee (Traffic Safety Division), at its meeting held on 1995 February 07, received a memorandum from the City Clerk advising that Council, at its meeting held on 1995 January 16, discussed the recent fatal accident at the intersection of Marine Way and Nelson Avenue. Council referred this matter to the Traffic Safety Division for review.

Arising from their review, the Traffic Safety Division recommended that the Ministry of Transportation and Highways be requested to reduce the speed limit on Marine Way and install additional lighting and signs restricting movements to right turn in/right turn out at the Marine Way/Nelson Avenue intersection as a priority.
