

TO: CITY MANAGER

1995 OCTOBER 11

FROM: DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 9518 - TRAFFIC CONTROL DEVICES
VARIOUS LOCATIONS

PURPOSE: To obtain approval to award a contract for the supply and installation
of traffic control devices at various locations.

RECOMMENDATION:

1. THAT a contract be awarded to the lowest bidder, Cobra Electric Ltd., for the supply and installation of traffic control devices at various locations for a total cost of \$142,523.14 with final payment based on actual quantities and unit prices tendered.

REPORT

Two tenders for this contract were received by the closing time of 3:00 p.m., Tuesday, 1995 October 03 and were opened by staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

The work of this contract involves the supply of all labour, materials, tools and equipment required for the installation of traffic control devices at Central Boulevard & Bus Loop and Deer Lake Place & Gilpin Street.

The Director Engineering's estimate for this work is \$155,000.00.

The recommended bidder, Cobra Electric Ltd., has been in business in the lower-mainland for approximately 11 years. Cobra has previously installed traffic signals for the City as well as providing repair and maintenance services for the City's street lighting and traffic signal systems for the past nine years. The Director Engineering is satisfied that they have the resources and experience to complete the work of this contract.

Sufficient funds are available and the projects are included under the 1995 Traffic Management and Major Roads components of the 1995-1999 Capital Program. Work orders are in place for these projects.

The Director Engineering concurs with the above recommendation.
