

ITEM 24  
MANAGER'S REPORT # 29  
COUNCIL MEETING 95/06/19

TO: CITY MANAGER 1995 June 08  
FROM: DIRECTOR FINANCE File: F20  
SUBJECT: APPOINTMENT OF INTERIM COLLECTOR AND LICENCING OFFICIAL

---

RECOMMENDATIONS:

1. THAT the Director Finance be appointed Collector for the City; and
2. THAT the Director Finance be designated as the official of the City with the power to grant a licence.

REPORT

Rick Elligott, our Tax and Licence Director, has accepted the position of Director Corporate Services with the City of Delta. The Tax and Licence Director for Burnaby holds the statutory positions of Collector and Chief Licence Inspector. Pending an organizational review and probable rehiring period that may take some time to conclude, it is necessary to appoint the statutory positions for an interim period. Therefore it is recommended that the Director Finance be appointed Collector for the City and designated as the official of the City with the power to grant a licence.
