SUBJECT: **BYLAW TO FUND JOINT HABITAT ENHANCEMENT PROJECT,  
BURNABY FRASER FORESHORE PARK**

PURPOSE: To request Council to bring down a bylaw to appropriate \$75,000 from Capital Reserves to finance the joint Burnaby Fraser Foreshore Habitat Enhancement Project.

**RECOMMENDATION:**

1. **THAT** a Bylaw be brought down to appropriate \$75,000 from Capital Reserves to finance the construction of the Habitat Enhancement Works in the Burnaby Fraser Foreshore Park as outlined in this report.

**REPORT**

On 1995 April 03 Council received the City Manager's Report No. 16, Item 02 authorizing the expenditure of \$75,000 in 1995 for the second phase of the Habitat Enhancement Project based on an equal contribution by the Department of Fisheries and Oceans (DFO). We have now received confirmation of DFO's contribution to the project. The North Fraser Harbour Commission has also allocated a further \$25,000 contribution to this project, and on 1995 May 16 its Chairman presented a cheque in this amount to the City.

In order for the work to proceed, a recommendation has been advanced for a Bylaw to be brought down in the amount of \$75,000. Sufficient Capital Reserves are available and funding for this expenditure is included in the 1995 Environmental Initiatives component of the 1995 to 1999 Capital Program.
