SUBJECT: CONSTRUCTION PROGRESS REPORT ON THE
DEER LAKE CENTRE (BUILDING ONE) OFFICE RENOVATIONS
HEALTH AND PARKS DEPARTMENTS

Recommendation:

1. THAT this report be received for information purposes.

R E P O R T

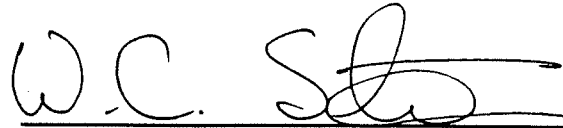

The following is a summary of the construction progress on the Deer Lake Centre One Office Renovations for the Health and Parks Departments.

The Contractor, Elliott Grey Management Group Inc., completed construction on all three floors of the Health Department space in 1994 November. Marton's Office Planners Inc. completed the installation of the Precision Systems Office Furniture on 1994 December 02 and Health Department staff moved into the building on the weekend of 1994 December 03 and 04. On the following weekend, 1994 December 10, the Parks Department was moved into the remaining renovated main floor space.

Movex Moving Company, retained by the City to undertake the move of both Departments to Deer Lake Centre, completed the move with very little disruption in service to the public.

The Contractor is now in the process of correcting some minor deficiencies, including the installation of additional lighting in the underground parking level. The Contractor expects to achieve Total Performance by the end of 1995 January.

The project was completed on schedule and within the approved budget. A detailed financial summary will be submitted as part of the final wrap-up report to the Committee at their next meeting.
