The Director Engineering's estimate for this work is \$700,000.00.

The recommended bidder, Merletti Construction, has satisfactorily completed a watermain construction contract for the City. Based on their past performance, the Director Engineering is satisfied that they have the experience and resources to complete the work of this contract.

Sufficient General Revenue funds are available and the project is included in the 1995 Water Utility component of the 1995-1999 Provisional Capital Budget. Appearing elsewhere on this Council Agenda is a work order report requesting funding approval for this project.
