FROM: MEDICAL HEALTH OFFICER
SUBJECT: BURNABY REGIONAL HEALTH PROFILE
PURPOSE: TO PROVIDE COUNCIL WITH THE 1994 EDITION OF THE
BURNABY REGIONAL HEALTH PROFILE

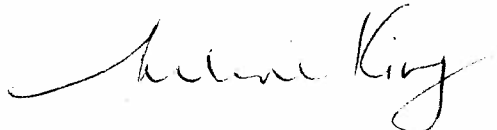

RECOMMENDATION:

That Council receive the 1994 Burnaby Regional Health Profile for information purposes.

REPORT

We are proud to present an update to the 1993 Burnaby Regional Health Profile. It provides a detailed framework, comprehensive list of suggested health indicators, and an initial set of indicators to measure the health status of the community. It also contains recent information on what resources and services are available in Burnaby and an in-depth analysis of the major care providers who provide those services.

The Profile will be useful for all regional health planning.
