

ITEM	19
MANAGER'S REPORT #	21
COUNCIL MEETING	96/08/12

TO: CITY MANAGER 1996 August 6

FROM: DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 9621 - BYRNE ROAD IMPROVEMENTS - PHASE 1

PURPOSE: To obtain approval to award a contract for the construction of utility and road improvements along Byrne Road.

RECOMMENDATION:

1. THAT, subject to Council giving approval to the bylaw which provides funding for this work, a contract be awarded to the lowest bidder, Progressive Contracting (Richmond) Ltd., for the construction of utility and road improvements along Byrne Road, for a total cost of \$1,062,164.39 with final payment based on actual quantities and unit prices tendered.

REPORT

Four tenders for this work were received by the closing time of 3:00 p.m. Thursday, 1996 August 1 and were opened by staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

The work of this contract involves storm sewer and boulevard construction, and the widening of pavement along Byrne Road.

The Director Engineering's estimate for this work is \$1.5 million.

Progressive Contracting (Richmond) Ltd. have completed a number of contracts for the City including, most recently, the previous phase of the Byrne Road upgrading under Contract No. 9003. Staff are satisfied that they have the necessary experience and resources to complete the work of this contract.

This project is included in the Major Roads component of the 1996-2000 Capital Program. Funding for this work is provided in a Capital Reserves Expenditure bylaw that appears elsewhere on this agenda.

The Director Engineering and our consultant, Associated Engineering (B.C.) Ltd., concur with the above recommendation.

Rick Earle
for DIRECTOR FINANCE

Attach.

cc. Director Engineering
