1. THAT the above work order as more specifically referred to in this report, be approved.

REPORT

60-21-117 Water Pressure Reducing Valve Stations Upgrade

Charge: 1996 Capital Budget
Mains, Pumping Stations, etc \$80,000

Additional Information: This work order provides funding for improvements to water pressure reducing valve stations. PRV stations regulate flow and pressures in each pressure zone and proper functioning is essential to provide an adequate supply of water for both domestic and fire protection. Sufficient General Revenue funds are available and these expenditures are included in the Water Utility component of the 1996 Capital Program.
