AND COUNCILLORS

RE: BACKGROUND REPORT - LOUGHEED TOWN CENTRE YOUTH ISSUES

RECOMMENDATION:

1. **THAT** the background document to the Youth Working Group Report, Lougheed Area Advisory Committee be received by Burnaby Council for information purposes on the understanding that it would be made available on request.

R E P O R T

At its meeting of 1996 July 11, the Lougheed Area Advisory Committee received the Background Report on Youth Issues in the Lougheed Area as prepared by the Youth Working Group of the Advisory Committee. Recognition should be given to the citizen members of the Youth Working Group for their considerable initiative in the planning, research and writing of this comprehensive Background Report. Given the length of this Background Report, it has been provided to Council under separate cover.

The Background Report presents information on youth issues in the Lougheed area arising from consultations with youth, service providers and other interested groups and individuals. The report does not present conclusions or recommendations on youth issues in the Lougheed area, rather it is intended to serve as a reference document for those working with youth on local issues. Specific recommendations related to youth issues will be included in the Advisory Committee's final report to Council as part of proposals for an overall community plan for the Lougheed area.

There have been requests for the current information on youth issues provided in the Background Report. As such the Advisory Committee is requesting that the Background Report be made available on request in advance of the development of its proposals for a renewed Lougheed Town Centre Community Plan.

Respectfully submitted,

Councillor J. Young, Chairman
