TO: CITY MANAGER

FROM: DIRECTOR FINANCE

SUBJECT: CONTRACT NO. 9608 - GRAVEL SUPPLY

PURPOSE: To obtain approval to award a contract for the supply of gravel and sand aggregates.

RECOMMENDATION:

1. THAT a contract be awarded to the lowest bidder, Jack Cewe Ltd., for the supply of gravel and sand aggregates for a total cost of \$505,495.69 with final payment based on actual quantities and unit prices tendered.

REPORT

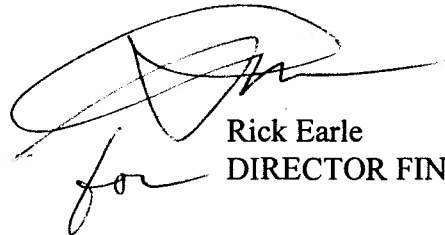

Six tenders for this contract were received by the closing time of 3:00 p.m., Thursday, 1996 June 13 and were opened by staff in the presence of representatives of the firms bidding. A tabulation of the tenders received is attached (Attachment A).

The work of this contract involves the supply and delivery of approximately 50,000 tonnes of specified gravel and sand aggregates, delivered as required to various locations in Burnaby from 1996 July 01 until 1997 June 30, both dates inclusive.

The recommended bidder, Jack Cewe Ltd., has been in the gravel supply business in the lower mainland for the past 40 years and most recently supplied the City's gravel requirements under contracts 9308 and 9508. Engineering staff report that Cewe's performance and product have both been excellent and therefore have no hesitation in recommending them for this contract.

Sufficient funds are available and expenditures for this supply contract are provided for in various expenditure components within the 1996 Operating and Capital Budgets.

The Director Engineering concurs with the above recommendation.
