REPORT

60-30-091 Central Valley Sewer Rehabilitation - Phase IV

Charge: 1996 Capital Budget \$290,000
Sanitary Sewer

Additional Information: Appearing elsewhere on this agenda is an item recommending award of Contract #9623, Central Valley Sewer Rehabilitation - Phase IV. The contract includes a project for forcemains and pump stations installation on Still Creek Avenue between Royal Oak Avenue and Douglas Road and another project for a pump station construction on Roseberry Avenue south of Marine Drive. The Central Valley project is jointly funded through the Federal Infrastructure Program.

Funds required for the Roseberry pump station component of the contract are available within an existing work order. Total estimated cost of the Central Valley sewer component of the contract, including work by City forces and other ancillary works, is \$290,000. Sufficient General Revenue funds are available and these expenditures are included in the Sewer Utility component of the 1996-2000 Capital Program.
