1. THAT Council approve the expenditure for hosting a presentation luncheon for eight people.

REPORT

Burnaby won the Communities in Bloom Contest in the 100,000 to 300,000 category. This required an extraordinary effort by key community volunteer and staff people. In recognition of this special effort, the Parks Commission have prepared appreciation certificates and have asked the Commission Liaison Representative to the Burnaby Beautification Committee to make the presentations at a luncheon to be held in mid-November.
