**R E P O R T**

Appearing on the Agenda for the 1996 May 06 meeting of Council is a letter from the Campaign Manager for the Joan Sawicki Re-Election Campaign requesting permission for the placing of campaign signs on public property in Burnaby.

The Burnaby Sign Bylaw 6163 includes provision for election signs under Clause (9) of Schedule No. 1 which reads as follows:

*"Temporary signs pertaining to campaigns, drives or events of political, civic, philanthropic, educational or religious organizations. Provided that if an applicant shall obtain the consent of Council and shall agree in writing to remove such signs within three days after the campaign, drive or event has concluded, such signs may be erected upon public property in the possession or control of the municipality, except public property designated for parks purposes and under the jurisdiction of the Parks and Recreation Commission."*

In past election campaigns the practice has been that Council has authorized such signs on public property during the campaign and the various political organizations have typically placed their signs on the boulevards within public road allowances, directed toward passing traffic on the streets.

In view of the provisions of the Sign Bylaw, and the past practice of accepting political signs of all participating candidates on an equal basis, it would be appropriate to pass a motion consenting to the erection of such signs by all participants on public property other than that designated for parks purposes and under the jurisdiction of the Parks and Recreation Commission, subject to compliance with the requirements for removal.
