INTER-OFFICE COMMUNICATION

FROM: ASST. DIRECTOR ENGINEERING,

SUBJECT: TIME LIMITED PARKING ALONG WILSON AVENUE
FROM BERESFORD STREET TO KEMP STREET
PURPOSE: To provide information to the Committee concerning the results of the resident survey.

RECOMMENDATION:

1. THAT this report be received for information.

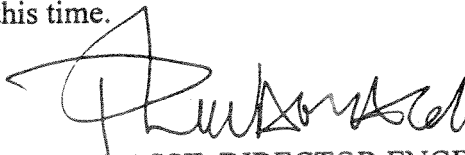

REPORT

Appearing on the Traffic Safety Committee agenda of 1997 May 06 was a staff report concerning the availability of on-street parking along Wilson Avenue. The report recommended that area residents be surveyed as to their acceptance of daytime 2 hour time limited parking, Monday to Friday, to provide parking turnover and increase on-street space availability.

The following is a summary of results for the attached questionnaire:

	In Favour	Not In Favour
Residents	45%	55%
Property Owners	72%	28%

Given the lack of support for the proposed restrictions by area residents (notwithstanding majority support by the apartment block owners), we would not recommend that a 2 hour time limited parking zone along Wilson Avenue be installed at this time.
