

REPORT
1998 JANUARY 12

CITY OF BURNABY

TO: BURNABY CITY COUNCIL
FROM: HIS WORSHIP, MAYOR DRUMMOND
SUBJECT: APPOINTMENT OF SENIORS REPRESENTATIVE - TRAFFIC AND
TRANSPORTATION COMMITTEE (TRAFFIC SAFETY DIVISION)

RECOMMENDATION:

1. **THAT** Mr. Phillip Herring, 5637 Booth Avenue, Burnaby, B.C. V5H 3A6 be appointed as the Seniors' Representative on the Traffic and Transportation Committee (Traffic Safety Division).

REPORT

A vacancy currently exists on the Traffic and Transportation Committee (Traffic Safety Division) as a result of the previous seniors' representative having served a full term of 6 years. As a result, various seniors' organizations have been canvassed for nominations of candidates to fill this vacancy.

I am therefore now recommending the appointment of Mr. Phillip Herring to serve in the capacity of Seniors' Representative on the Traffic Safety Division of the Traffic and Transportation Committee.

Respectfully submitted,

Douglas P. Drummond
MAYOR

cc: City Manager Director Engineering Director Planning and Building
