

CITY OF BURNABY

TRAFFIC AND TRANSPORTATION COMMITTEE
(TRAFFIC SAFETY DIVISION)

*HIS WORSHIP, THE MAYOR
AND COUNCILLORS*

A. PARKING ON GILMORE AVENUE NEAR HASTINGS STREET

RECOMMENDATION:

1. **THAT** Council receive this report for information.

REPORT

The Traffic and Transportation Committee (Traffic Safety Division), at its meeting held on 1998 February 03, received an item of correspondence from the Deputy City Clerk advising that Council, at the regular Council meeting held on 1998 January 12, received and adopted a report on the abovenoted subject.

Arising from consideration on the subject of parking, Council requested the Traffic Safety Division to review the parking restriction on Rosser Avenue between Albert and Hastings Street. Apparently, the residents on Rosser Avenue are prohibited from parking in front of their homes.

Staff advise that parking was removed temporarily to facilitate an around the block detour by B.C. Transit that was approved through the Transportation Committee. The detour was to be used only on an interim basis pending Ministry of Transportation and Highways implementation of a left turn signal phase for movement from Hastings Street westbound to Willingdon. The temporary parking prohibition will be withdrawn as the signal activation is imminent.
