HIS WORSHIP, THE MAYOR  
AND COUNCILLORS

**RE: GREAT SALMON SEND OFF**

**RECOMMENDATION:**

1. THAT the Mayor, on behalf of Council and Environment & Waste Management Committee, send a letter of appreciation to the organizers of the "Great Salmon Send Off" event held on 1998 May 09.

**REPORT**

The Environment & Waste Management Committee, at its meeting held on 1998 May 12, noted that the "Great Salmon Send Off" held on 1998 May 09 was a well attended and very successful event. 3,000 coho salmon fry were released into the tributary adjacent Stoney Creek Community School grounds. The fry were tagged which will enable fisheries officials to monitor how many return to the creek to spawn.

The Environment & Waste Management Committee wishes to acknowledge the dedication and hard work of the Stoney Creek Environment Committee, Sapperton Fish and Game Club and the Federal Government Department of Fisheries and Oceans in organizing this event. Accordingly, it is requested that the Mayor forward a letter of appreciation to these organizations.

Respectfully submitted,
