RECOMMENDATIONS:

REPORT

Gilmore Community Association has requested that Hastings Street traffic be detoured along City streets on 1999 June 05 between 9:00am and 2:30pm for the annual Hats Off Day Parade. In the context of the Street & Traffic Bylaw, a parade requires Council's approval.

The parade will assemble in the 300 and 400 block of Rosser Avenue and in the 4200-4400 block of Albert Street at 9:30am. At 10:00am the Seattle and Vancouver Motorcycle Squads will proceed down Hastings then the parade will wait 15 minutes until starting. The parade will then proceed westbound along Hastings Street, dispersing in the 3700 block of Albert Street at approximately 12:00noon. As Albert Street will be closed from Boundary to Willingdon blocks from 8:00am to 2:30pm for assembly and dispersal, the coordinator, Liz Dill, has undertaken a mail-out to residents to inform them of the event and closure.

Carleton Street will also be closed from Pender Street to Albert Street for display booths between 8:00am and 4:00pm as well MacDonald between Pender and Hastings. A new addition to this year's event will be a Children's Carnival that will be situated on City property at the south side of the 3800 block Hastings. To ensure public safety, the City will be erecting snow fencing along the south side of the 3800 block Hastings.

The organizers are aware that approval is subject to the following conditions:

1. That the parade be conducted under the supervision of one person as marshall or organizer.
2. That all participants be instructed to respect the rights and property of the individuals encountered en route.
3. That the parade be covered with liability insurance in the minimum amount of \$2 million with the City of Burnaby named as co-insured, and that the insurance policy include a 30 day cancellation notice and a cross liability clause.
4. That the coordinator of the Children's Carnival be covered with liability insurance in the minimum amount of \$5 million with the City of Burnaby named as co-insured, and The Heights Merchants Association and Heights Neighbourhood Association and that the insurance policy include a 30 day cancellation notice and a cross liability clause.

Since this parade requires the temporary closure of a highway, extensive measures must be taken to re-route Hastings Street traffic. It is proposed that westbound traffic be diverted to Oxford Street and eastbound traffic be diverted to Parker Street as in prior years.

The RCMP will ensure that a safe environment exists by having staff members available and City staff will be present to assist in the handling of traffic control.
