**Additional Information:** Two items, appearing elsewhere on this Agenda, recommend the award of Contracts 2000 - 02 & 2000 - 04: Watermain Renewals (2000 Program - Phases I & II), respectively. Both contracts are part of our annual program to replace watermains with a leak history and high maintenance costs. Total cost of these programs, including ancillary work by City forces, is estimated at \$1.5 Million. Sufficient General Revenue funds are available and these expenditures are included in the Water Utility component of the 2000 - 2004 Annual Capital Program.
