RECOMMENDATION:

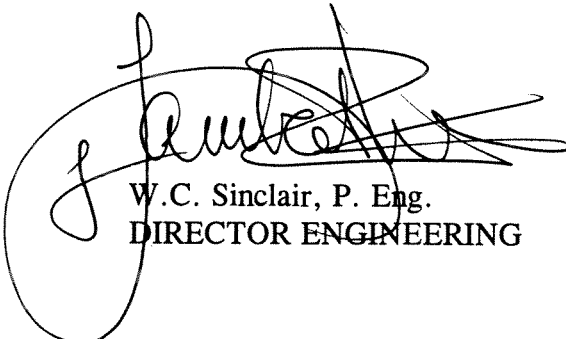

1. **THAT** the above work order as more specifically referred to in this report, be approved.

R E P O R T

60-21-135 Engineering Services - Watermain Renewals (Year 2001 Program)

Charge: 2000 Provisional Capital Budget
Watermains, pumping stations, etc. \$200,000

Additional Information: Consultant services are required to prepare detailed engineering designs and contract administration related to our annual watermain renewal program. Preparatory work will be undertaken during the fall/winter period in anticipation of tender call early in the new year. Sufficient General Revenue funds are available in the Water Utility, however, these expenditures are not included in the 2000 - 2004 Capital Program and appropriate adjustments will be made to ensure Capital Budget spending limits are not exceeded.
