

BURNABY BICYCLE ADVISORY COMMITTEE

*HIS WORSHIP, THE MAYOR
AND COUNCILLORS*

RE: TRANSPORTATION ASSOCIATION OF CANADA (TAC) GUIDELINES

RECOMMENDATION:

1. **THAT** Council endorse the use of TAC (Transportation Association of Canada) guidelines for accommodating bicycles in intersection design.

REPORT

The Bicycle Advisory Committee, at its Open meeting held on 2000 November 23, discussed at some length the design of intersections to accommodate cyclists.

It was noted that Transportation Association of Canada (TAC) Design guidelines include provisions for cyclists. Although the City generally uses TAC guidelines for design roadway, the Committee recommended that the accommodation of cyclists be explicitly endorsed.

Respectfully submitted,

Councillor N. Harris
Chair

Mayor D. Drummond
Vice Chair
