

CITY OF BURNABY

TRAFFIC AND TRANSPORTATION COMMITTEE
(TRAFFIC SAFETY DIVISION)

*HIS WORSHIP, THE MAYOR
AND COUNCILLORS*

RE: LANE LIGHTING BEHIND HAZELWOOD CRESCENT

RECOMMENDATIONS:

1. **THAT** Council approve the installation of 2 street lights in each lane lighting request.
2. **THAT** Mrs. Kathleen Turner, 4136 Hazelwood Crescent, Burnaby, B.C. V5G 2R1 receive a copy of this report.
3. **THAT** Mrs. Shirley Taylor, 4167 Hazelwood Crescent, Burnaby, B.C. V5G 2P9 receive a copy of this report.

REPORT

The Traffic and Transportation Committee (Traffic Safety Division), at its Open meeting held on 2000 November 07, received and adopted the attached report responding to two requests for lighting in rear lanes.

Respectfully submitted,

Councillor D. Evans
Chair

Councillor B. Der
Member

Councillor G. Begin

INTER-OFFICE COMMUNICATION

TO: TRAFFIC SAFETY COMMITTEE DATE: 2000 10 20

FROM: ASST. DIRECTOR ENGINEERING, FILE: 50-02-02
TRAFFIC & ENGINEERING SYSTEMS

SUBJECT: LANE LIGHTING BEHIND HAZELWOOD CRESCENT

PURPOSE: To respond to two requests for lighting in rear lanes

RECOMMENDATION:

1. THAT the Committee approve the installation of 2 street lights in each lane lighting request.
2. THAT Mrs. Kathleen Turner, 4136 Hazelwood Crescent, Burnaby, B.C. V5G 2R1 receive a copy of this report.
3. THAT Mrs. Shirley Taylor, 4167 Hazelwood Crescent, Burnaby, B.C. V5G 2P9 receive a copy of this report.

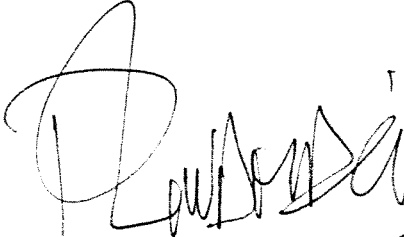

R E P O R T

Mrs. Kathleen Turner of 4136 Hazelwood Crescent and Mrs. Shirley Taylor of 4167 Hazelwood Crescent, who live on opposite sides of the same street have submitted a letter and petition requesting the installation of lights in the lanes behind their residences. A petition with signatures of 2/3 of the affected properties must be submitted to the Engineering Department before the request can be forwarded to the Committee for approval and subsequently B.C. Hydro. This requirement has been met.

On the basis of policy based on the length of lane staff initially proposed one light per lane.

As indicated in the attached correspondence both of the lead petitioners requested an additional light. As a result staff reviewed the proposed lighting arrangements and concur with the additional requirements of curvature. We note that the shorter lane behind the rear of 4136 Hazelwood falls short of the requirement for a second light by only 17 metres.

We recommend that the Committee endorse the installation of 2 lights in each lane as indicated on the attached plans.

P. Liivamagi, P. Eng.

Dear Council Members,

Attached is the petition for back lane lights
for Hazelwood/Price Cres.

Re: Back lane lighting - On Oct 3 Mr. J. Turner spoke
to Mr. Doug Evans suggesting that one light would
be inadequate due to the curve of the lane, Is it
possible to have 2 lights? Frankly, we're fed up
with the break-ins, thefts, speeding cars, dumping
of marijuana soil, furniture and sex trade garbage
left in the lane.

You will see from the petition that we have
achieved the 2/3 requirement. We are very concerned
and anxious and greatly desire to keep this area a
safe, respectable place in which to live.

Yours truly,

Shirley Taylor
