

CITY OF BURNABY

BICYCLE ADVISORY COMMITTEE

*HIS WORSHIP, THE MAYOR
AND COUNCILLORS*

RE: BICYCLE FACILITIES AT DEVELOPMENT PROJECTS

RECOMMENDATIONS:

1. **THAT** Council support future SkyTrain stations incorporating end of trip bicycle parking facilities such as secure lockers and weather protected regular bicycle racks.
2. **THAT** copies of this report be forwarded to TransLink and the Rapid Transit Project Office and the Minister responsible for SkyTrain.

REPORT

The Bicycle Advisory Committee, at its meeting held on 2000 January 27, received a report for information purposes from the Director Planning and Building entitled "Bicycle Facilities at Development Projects". This report was written in response to a request from the Bicycle Advisory Committee to list all recent development projects that have bicycle facilities as prerequisites for rezoning approval and include information on bicycle parking requirements.

Arising from the discussion of the information report, the matter of bicycle storage facilities at the SkyTrain stations was addressed. In concluding the discussion, the Bicycle Advisory Committee unanimously agreed to recommend to Council that end of trip bicycle facilities be included at all future SkyTrain station locations.

Respectfully submitted,

Councillor Nancy Harris
Chair
