**SUBJECT: ROAD CLOSURE REFERENCE #00-5**  
**Proposed Closure of Redundant Lane Allowance**  
**to be Consolidated with 3602 Smith Avenue (Avondale Park)**  
***Amendment of Statutory Right-of-Way for Telus***

PURPOSE: To seek Council authority to amend a statutory right-of-way requirement for Telus.

---

**RECOMMENDATION:**

1. **THAT** Council authorize the amendment of the dimensions of the statutory right-of-way for Telus in regard to Road Closure #00-5 as outlined in this Report.

**REPORT**

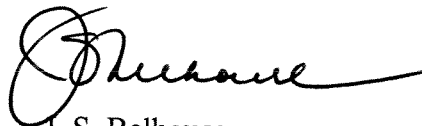

**1.0 Background:**

Council, at its meeting of 2001 July 09, authorized the introduction of a Road Closing Bylaw for the redundant lane allowance adjacent to the City-owned properties, 3890 Linwood Street, 3588 Smith Avenue and 3562 Smith Avenue. Notice of the closure was circulated to various internal departments and external agencies having an interest in the subject lane. A statutory-right-of-way was required for Telus (as shown on the attached Sketch #1) and was originally requested to be 3.0m wide and 45m in length along the north property line of 3562 Smith Avenue.

**2.0 Current Situation**

Telus has reassessed their statutory right-of-way requirement and is requesting an amendment to the dimensions of the statutory right-of-way to include the entire lane way as shown on the attached Sketch #2. The statutory right-of-way is required to maintain their existing aerial lead.

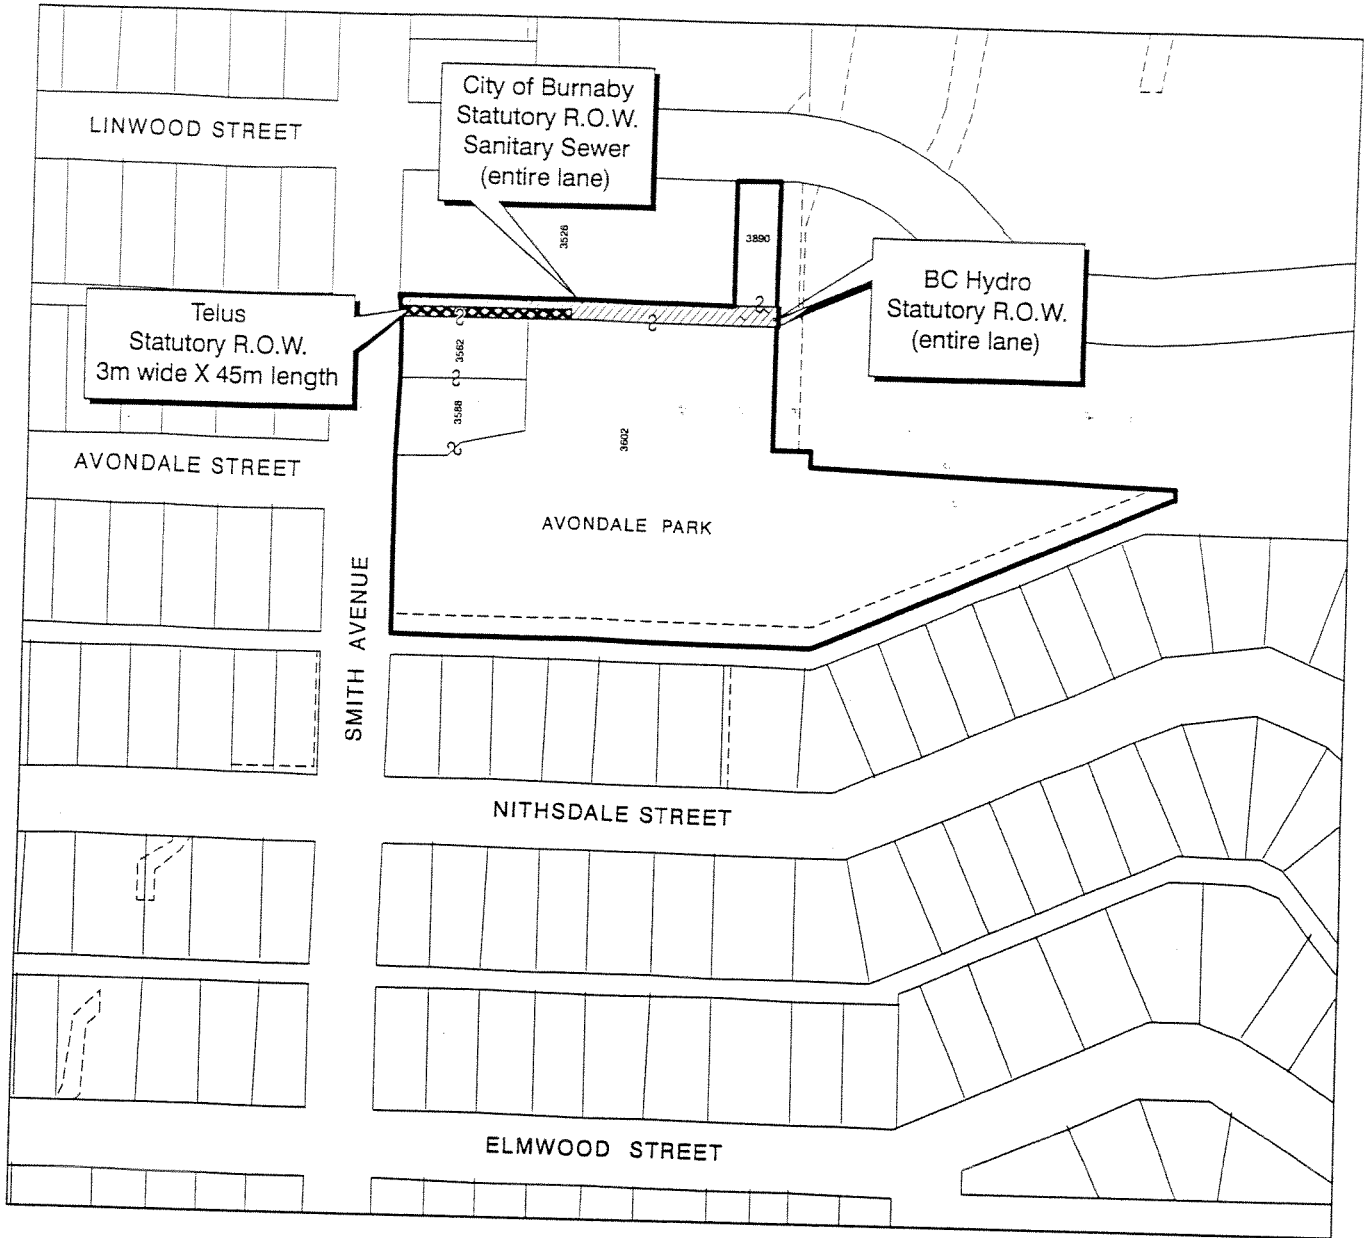

It is recommended that Council authorize the amendment of the statutory right-of-way for Telus with regard to the Road Closing Bylaw.
